

Litchfield Country Club

Presents:

Its annual membership drive now through May 31st. New members who join during this drive are eligible for pro-rated dues, extended payment plans and will be exempt from club house minimums for their first year.

As part of the membership drive, the Club is introducing its new Corporate Membership Package. The purchase of a Corporate Membership allows an organization's designated member/employee the use of the Club's facilities, including the golf course, the club house and the swimming pool. This package is offered at a special rate. Corporate Memberships are transferrable within an organization.

The Club is also offering special discounted rates to individuals less than thirty years old through its Junior Membership Program. The same discounted rates also apply to family memberships when either spouse is less than thirty.

Litchfield Country Club is proud of its reputation as one of the best maintained golf courses in Central Illinois.
Come and join the fun and excitement!
