PLEASE RELEASE THE WEEK OF June 7

Litchfield Pickers Market

The Litchfield Pickers Market returns this week on Sunday, June 13, 2021 from 9 AM – 3 PM in Downtown Litchfield (Starting at 400 N. State Street). This portable vintage and antique market has returned in 2021, and we are excited to welcome back visitors and vendors to Litchfield, IL. The Litchfield Pickers Market is the largest open-air pickers market in the region and is located less than 3 miles off of Interstate 55. This market specializes in antiques, collectibles, vintage items, and refurbished items, and occurs every second Sunday of the month through October.

Each month the Litchfield Pickers Market welcomes musicians to perform at the Carnegie Park stage. During the June 13th market, Avery Kern will kick off the day and perform live from 9 AM to 11:30 AM. Avery Kern is a 19-year-old singer/songwriter from Central Illinois currently studying songwriting at Belmont University in Nashville, Tennessee. Avery started performing live at open mics when she was 13 years old, and since then had started playing gigs all around central Illinois and has appeared as a contestant on American Idol. Following Avery Kern, Butch Moore & Alan White will perform Noon – 3 PM. This acoustic duo will perform tunes you will know and love. Their harmonious sound will allow you to relax and enjoy a beautiful day in the park. Due to eliminating frequently touched surfaces, picnic tables will not be set up in the park this year. Please make sure to bring your own lawn chair or picnic blanket so you can sit back, relax, and enjoy these free concerts.

In addition to eliminating frequently touched surfaces, such as picnic tables, there will be a few other structural changes to the Litchfield Pickers Market to ensure public safety and sanitation standards for visitors, vendors, and staff. Vendor areas have expanded to ensure adequate social distancing. There will be one empty space between each vendor booth, and on narrower streets, vendors will only be located on one side of the street. To aid in public sanitation efforts, everyone will be asked to directly dispose of their own trash into provided dumpsters located on block of the market. The City of Litchfield will follow the CDC's mask mandates, so please stay up to date with these policies. The Litchfield Pickers Market is appreciative of the public's understanding and cooperation in implementing these changes throughout the season.
